Dear Parents,

We are inviting you and your child to participate in the upcoming "Santa's Secret Shop®" program at our school. This program makes it possible for children to experience the joy of choosing their own special holiday gifts for family and friends. The "Santa's Secret Shop®" program will be set up at the school and supervised by our parent volunteers. They will help the children pick that perfect gift for the price they want... in a familiar, comfortable atmosphere.

We believe this program will create wonderful memories for the children while teaching them to budget their money and make their own decisions. There will be a large variety of gifts in different price ranges to choose from. Imagine the fun they will have surprising a loved one with a "secret" gift they bought... all by themselves!

We welcome you to be part of this great experience. A "money control" envelope is provided for you to help them decide who they should buy gifts for and how much they should spend. You can even suggest ways that your child can earn extra shopping money.
